

RACE HANDBOOK 2018

DRAFT

Racing to Save the Bay

Racing to Save the Bay

The mission of the Great Chesapeake Bay Schooner Race is to promote public awareness of the Chesapeake Bay's maritime heritage and to encourage the preservation and improvement of the Chesapeake's natural resources.

This is accomplished by donating the proceeds of the race to one or more charitable organizations engaged in conservation of the natural resources of the Chesapeake Bay.

The Great Chesapeake Bay Schooner Race (GCBSR) is dedicated to local giving to foster local involvement. Each year the steering committees in Portsmouth, VA and Baltimore, MD seek out organizations to partner with which share our mission. By working together locally, we all benefit in immediate ways.
